

12 September 2007

Mr Joe Bennett
Penrith Air Supplies P/L
3/116-118 Batt St
SOUTH PENRITH NSW 2750

Dear Mr Bennett

I had the pleasure of attending the Penrith Valley Economic Development Corporation's 25 Years Business Recognition Dinner at which your business, Penrith Air Supplies P/L, was acknowledged for serving the community for 26 years, contributing both economically and socially towards the Penrith Region.

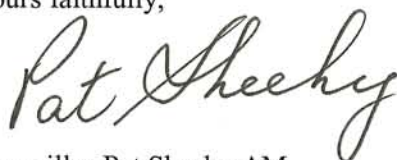

Large and small local businesses should be proud of their service to the community, and their significant contribution to the success and growth of this region. They have become the backbone of the region, continuing to cement Penrith City's reputation as the place where business and lifestyle meet.

The impressive number of longstanding businesses meeting the criteria for these awards reflects the success of this City in supporting and nurturing local business.

Council's vision is for a sustainable and prosperous region with a harmony of urban and rural qualities, and with a strong commitment to environmental protection and enhancement. Council understands that business excellence is one of the key reasons our City is such a popular place to live, work, play, rest and invest.

I wish to extend my congratulations on behalf of Penrith City Council on this momentous achievement. Without businesses and people such as yourself, the City of Penrith would be much the poorer.

Yours faithfully,

Councillor Pat Sheehy AM
Mayor

Pat Sheehy AM
Mayor of Penrith City
